I am her tribe poem meaning pdf

I always hoped I'd have some more -
Another year, or two.

A month, a week, a day before
Our days were done and through.

*But life is blind, and deaf, and dumb
To simple hopes and dreams -*

*And just before the moment's come,
The moment's passed, it seems.*

So savour every fleeting night,
And every fading day -

And take the *time* to make it right...
Before it slips away.

*this is the recipe of life
said my mother
as she held me in her arms as i wept
think of those flowers you plant
in the garden each year
they will teach you
that people too
must wilt
fall
root
rise
in order to bloom*
